Kandima Maldives and famous The Breakfast Club, UK's very own hangout zone will be investing something special from the 13 till 19 November in an exclusive, border-crossing, an amalgamation of excellent experience and components.

For the first time ever, bringing about a revolutionary dining alliance, the hip and happening multi-site eatery is taking its culinary journey international for a searing week-long show fully-packed with culinary delights, overwater floating deliveries of the breakfast, interactive classes for pancake creation, and island- infused, Brunch Bingos!

Kandima Maldives is located in the heart of the Indian Ocean, is a game-changing, tropical heaven famous for its outstanding natural surroundings, plentiful offerings in terms of activities, bars and eateries, and lively modern atmosphere.

For families, couples, and groups, this five-star island resort re-imagines reasonable Maldivian getaways, boasting wonderful views of the Dhaalu Atoll.

Bounded by its three kilometers-long white sandy beach, aquamarine waters together with the gentle giants of the nature, and luxurious vegetation, Kandima offers a peaceful background for a memorable stay.

The Breakfast Club since 2005, has been providing delicious, famous dishes together with a retro-inspired atmosphere, offering guests with a welcoming and nostalgic feeling. Born in Soho London in 2005, The Breakfast Club has been catering breakfast for more than 18 years.
